**VicRoads Metropolitan Road Assets Maintenance Services  
Eastern Area Contract No 9960  
Letter of Award**

I refer to your email of Tuesday 23 October 2018 in response to the letter of Friday 12 October 2018 from Samr Fouda of VicRoads.

VicRoads hereby accepts your final tender, as confirmed in your email of Tuesday 23 October 2018, and hereby engages SprayLine Road Services (**SprayLine**) as the Contractor under Contract No 9960 for the Eastern Package of the Metropolitan Road Assets Maintenance Services program.

I confirm that notwithstanding that SprayLine is not a separate legal entity to VicRoads, VicRoads engages SprayLine to provide the Maintenance Services and to perform SprayLine's other obligations described in CN 9960 as though VicRoads and SprayLine are separate legal entities and there is a binding contract between them.

On this basis, this letter constitutes a "contract" between VicRoads and SprayLine on and from the date of this letter, the terms of which are comprised by the contract documents enclosed in our letter of Friday 12 October 2018 and subsequently amended as agreed between VicRoads and SprayLine by your email of Tuesday 23 October 2018 (**Contract**).

In relation to its subject matter, the Contract embodies the entire understanding of the parties and constitutes the entire terms agreed by the parties, and supersedes any prior agreement of the parties.

Two copies of the Framework Agreement and the other documents evidencing the Contract will be forwarded to you shortly for execution for the parties' records. We request that you return these documents, duly executed, to VicRoads, Procurement Services, Ground Floor, 60 Denmark Street, Kew, Vic 3101 within 10 business days of receipt of the documents.

Please do not hesitate to contact the person named at the top of this letter if you have any questions about this letter. VicRoads looks forward to working with you on this project.

Yours faithfully

**CHRIS McNALLY**
